

## Information regarding the modification of original SAF-HOLLAND products

SAF-HOLLAND Australia Pty. Ltd. do not endorse any modification or alteration (e.g. cutting, welding, drilling, grinding etc.) of original equipment without prior written approval of the proposed modification. Any modification undertaken without the approval will automatically void the warranty for the modified product.

SAF-HOLLAND (Aust.) Pty. Ltd. is not taking the liability for any damage or consequence that the modification may cause.
