JANUARY 2012**

**SAVE  
WHEN YOU BUY  
IN SKID LOADS  
AND CONTAINER  
LOADS**

Mix and match between four of our most popular models. See details on back. Offer good through June 30th, 2012.

## SUPERIOR CORROSION RESISTANCE.

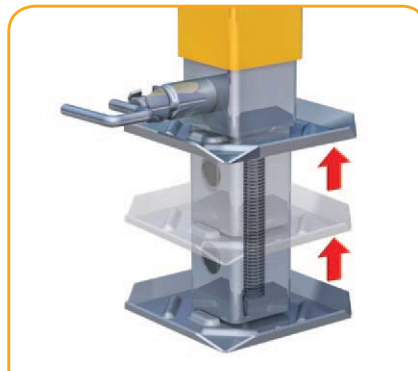

All drop legs are available with Black Armour™ which chemically bonds with metal to form a protective skin that when chipped or gouged will confine corrosion and prevent it from spreading. All legs feature corrosion resistant bronze bushings. Legs are available with gray powder-coat finish which is ideal for aluminum trailers.

**WARRANTY - 5 Year Materials and Workmanship**

## Special Pricing for Bulk Quantity Purchases Offer Valid on Model 48000 Series Single Pin & Dual Pin Legs

HOLLAND Gooseneck Jacks set the standard. Why settle for anything else? Choose between four of our most popular models and save big!

All Gooseneck Jacks utilize the tube-in-a-tube design for greater stability and improved side load capacity.

On Spring-loaded models, lower leg retracts automatically.

**SO CONVENIENT!**

Available in Single Pin and Dual Pin Models!

By simply stepping on the lever, the Dual Pin drop section is lowered or raised.

**SO EASY!**
