

Warranty

# AIRLITE2 SUSPENSION WARRANTY

*The Holland Binkley Company offers the following warranty to the first Purchaser of its AirLite2 Suspension:*

## **Holland Binkley's Commitment:**

**5-Year Parts Warranty** - Holland Binkley will, at its option, repair or replace any AirLite2 Suspension or AirLite2 Suspension component that has failed including failure due to wear during the five years following the date of manufacture of the trailer on which the system was installed as original equipment.

**5-Year Labor Warranty** - The cost of repair covered by this warranty includes any reasonable labor expense. Labor reimbursement is determined by a published flat rate schedule in connection with local labor rates. Repairs under this warranty shall be at the repair facilities approved by Holland Binkley.

## **Customer Responsibilities to Qualify for this Warranty:**

The AirLite2 Suspension covered by this warranty must be installed in accordance with Holland Binkley's installation instructions and maintained in accordance with Holland Binkley's maintenance decal.

The AirLite2 Suspension must only be subjected to normal use, service and rated capacities.

The customer must submit system serial numbers and obtain prior authorization from Holland Binkley before repairing, replacing or returning any parts.

## **Exclusions and Limitations:**

This warranty excludes air springs, height control valves, and shock absorbers, which are covered by the manufacturers warranties for these components.

Holland Binkley shall have no other liability than as provided in this warranty, including liability for incidental or consequential damages including, but not limited to damages for loss of production, loss of profits, loss of opportunity, or injury to persons or property.

**THERE ARE NO WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY AND WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, EXTENDING BEYOND THAT SET FORTH ABOVE.**
