### Holland's Commitment:

---

We warrant, to the first purchaser for the duration of this warranty, all Holland DuraLite System Suspensions when properly installed on your vehicle, and maintained and operated in accordance with our requirements, as follows:

#### 5-Year Parts Warranty:

Holland will, at its option, repair, replace or reimburse for any or component needing replacement due to defects in material or workmanship for a period of 5 years from the date of manufacture of the original trailer that the suspension was installed on. Parts reimbursement is limited to the parts acquisition cost, not to exceed the suggested list price.

#### 5-Year Labor Warranty:

The cost of repair covered by this warranty includes any reasonable labor expense. Labor reimbursement is based on a published flat rate schedule in connection with local labor rates.

### Your Responsibilities:

### Claims:

You are required to obtain prior authorization from Holland or an authorized customer service representative before replacing or returning any part. You may be required to make the product or part claimed to be covered by this warranty available to us and/or returned to us at your expense for review and evaluation. You will also need to provide the following information: trailer serial number and manufacture date, and product serial number as identified on the product.

### Exclusions and Limitations:

---

This warranty does not cover any Holland product that is altered without written permission, or fails, malfunctions or is damaged as a result of accident, abuse, or improper installation, maintenance or use.
