## SAF LiLube Yağları – Uzun yıllara dayanan tecrübe

SAF-Holland yeni yağları ile araç filolarınıza yüksek kaliteyi sunmaktadır.

Rulman, Beşinci Teker, Kingpin, veya Bilye Yatakları, fark etmez. SAF-Holland sizin ihtiyacınız için en uygun yağı sunmaktadır. Son derece rafine baz yağlar ve katkı maddeleri seçimi ile uygulama alanına göre uzun süre yüksek performans sağlanmaktadır.

SAF-Holland yağları aşınma etkisini azaltır ve zor koşullarda dahi istikrarlı ve uzun süreli performansı güvence altına alır.

# NEW IN PORTFOLIO

## SAF LiLube lubricants – Performance based on years of experience

With its new line of lubricants, SAF-HOLLAND provides high-quality lubricants for your fleet.

Wheel bearings, fifth wheels, kingpins or ball races – SAF-HOLLAND offers the lubricant you need. The selection of highly refined base oils and additives ensure smooth driving over a long period of application.

SAF-HOLLAND lubricants reduce wear and guarantee a consistent, long-lasting performance even under extreme conditions.
