CBX, ULX, UltraLite, and Z-Frame Series Sliders
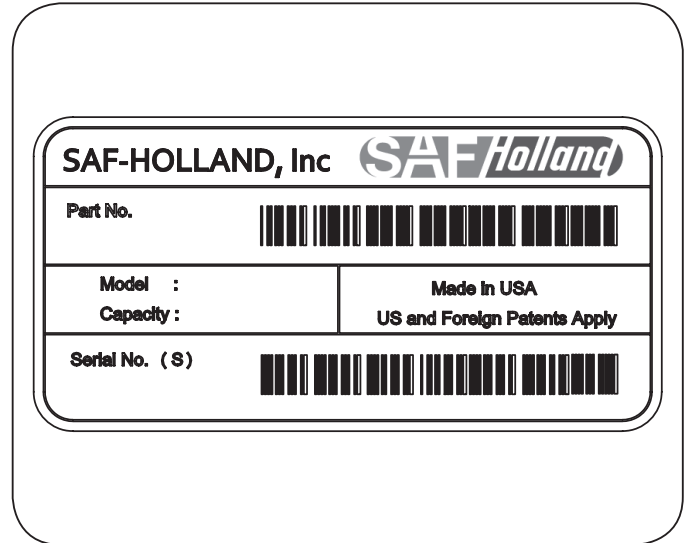

SAF-HOLLAND Group

Printed Serial Tag with 2D Bar Codes

SAF-HOLLAND® is pleased to introduce an improved serial tag design which will be used on all North American manufactured CBX, ULX, UltraLite, DuraSystem and Z-Frame series sliders. The new serial tag is made from a fade resistance polyester and includes a pre-mask cover that can be removed if the trailer builder applied a top coat finish. The serial tag will include: part number, model number, capacity, county of origin, serial number, and relevant patent information. Additionally, the serial tag will include a 2D bar code that improves traceability and inventory management at the trailer builder.
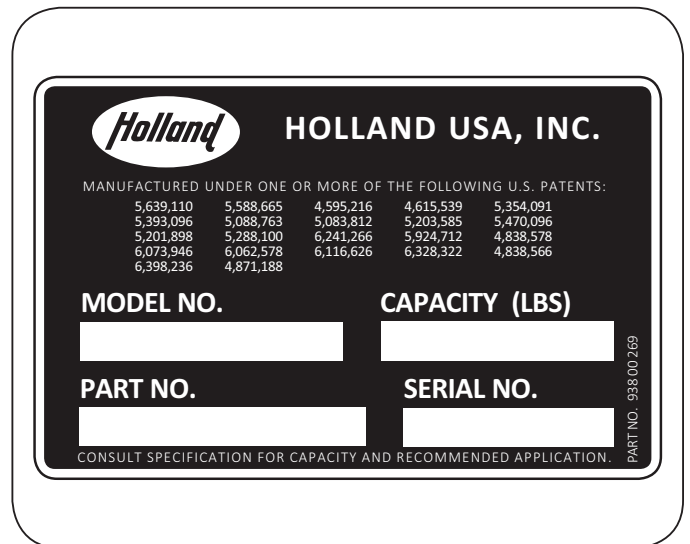

This new serial tag will be used on all CBX, ULX, UltraLite, DuraSystem, and Z-Frame sliders starting January 2018.

If you have any questions or require additional product assistance, please contact your SAF-HOLLAND sales or service representative at (888) 396-6501 or visit our website at www.safholland.us.

CONSULT SPECIFICATION FOR CAPACITY AND RECOMMENDED APPLICATION.

From fifth wheel rebuild kits to suspension bushing repair kits,

SAF-HOLLAND Original Parts are the same quality components used

in the original component assembly.

SAF-HOLLAND Original Parts are tested and designed to provide

maximum performance and durability. Will-fits, look-alikes or, worse

yet, counterfeit parts will only limit the performance potential and

could possibly void SAF-HOLLAND's warranty. Always be sure to spec

SAF-HOLLAND Original Parts when servicing your

SAF-HOLLAND product.
