

NEWAY® Power Suspensions LSZ13 Lift Axle Auxiliary Suspension Discontinuation

Effective January 1st, 2021

SAF-HOLLAND will be discontinuing the production of the NEWAY LSZ13 Lift Axle Auxiliary Suspension as of January 1st, 2021. Orders will be accepted until December 31st, 2020. There is no replacement product available.

In the case in which components are no longer available for new production orders placed before December 31st, 2020, a follow-up notification will be issued notifying customers the LSZ13 is no longer able to be ordered or their order is unable to be fulfilled. Customers requiring a LSZ13 suspension are encouraged to place their orders prior to December 1st to ensure availability.

LSZ13 service kits will continue to be available for suspensions in operation.

Please contact your SAF-HOLLAND Sales or Customer Service Representative for any additional questions.

LSZ13 Lift Axle Auxiliary will no longer be available effective January 1st, 2021
